## **MANAGEMENT DISCUSSION AND ANALYSIS REPORT**

### **i. ECONOMIC REVIEW**

India has the 10th largest arable land resources in the world and the country possesses 45 of the 60 soil types across the globe. The country is the largest producer of spices, pulses, milk, tea, while it ranks second in the production of wheat, rice, fruits and vegetables.

India's agriculture sector is considered to be the backbone of the nation's economy. Providing livelihood to over 58 percent of households in the rural areas, the agriculture sector, along with fisheries and forestry, is also one of the largest contributors to the Gross Domestic Product (GDP).

### **ii. INDUSTRY STRUCTURE AND DEVELOPMENT**

At 179.9 million hectares, India holds the second largest agricultural land in the world. A majority of the Indian population relies on agriculture for employment and livelihood. Steady investments in technology development, irrigation infrastructure, emphasis on modern agricultural practices and provision of agricultural credit and subsidies are the major factors contributing to agriculture growth.

### **iii. OPPORTUNITIES AND THREATS**

In spite of some of these positive cues, the agricultural sector has a whole set of complex challenges. The sector continues to be significantly dependent on the monsoons, as majority of the area is rain-fed and is dependent on timely and adequate rain fall. The effects of global warming and unseasonal rains have a negative impact on the crops and the farmers' ability to take risks. Changing food consumption patterns as well as volatility in agricultural price has an important impact on the sowing patterns of the crops across various states of India.

Harvesting and post harvesting practices need significant improvement to avoid huge losses. The pressure on land usage for alternate purposes of real estate and industry are shrinking the availability of cultivable land in the country.

#### **Opportunities**

- Agriculture reforms targeted at doubling farmer income over next five years to support agri inputs consumption for improving crop yields
- Irrigation projects and Micro irrigation focus to reduce dependence on monsoon and improve nutrient use efficiency

- Higher disposable income on account of improved Minimum Support Price (MSP), augmented MGNREGA allocation, better price discovery through electronic National Agriculture Market and price support through crop insurance scheme
- Government's focus towards improving soil health through Soil Health Cards and Organic fertiliser marketing assistance to promote balanced nutrition practices and organic usage. Further, Direct Benefit Transfer to improve subsidy targeting and increase soil health based recommendations.

#### **iv. RISK MANAGEMENT INITIATIVES**

Risk management policies and limits are evaluated by the Board of Directors. Risk limits, policies and procedures are periodically revised keeping in mind changes in market conditions. Risk management in your Company entails an integrated approach with margin protection considerations forming the back-bone of risk management initiatives. The long -term objective of risk management is to provide stability in margins over a longer period and through downturns in economic cycles.

#### **v. INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY**

The Company has in place adequate and appropriate systems of internal controls commensurate with its size and the nature of its operations and these have broadly withstood the test of time. The systems have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorizations and ensuring compliance of corporate policies.

**vi. CAUTIONARY STATEMENT**

“Management’s Discussion & Analysis Report” contains forward looking statements, which may be identified by the use of the words in that direction, or connoting the same. All statements that address expectation or projections about the future, including, but not limited to statements about the Company’s strategy for growth, product development, market position, expenditures and financial results are forward looking statements. The Company’s actual results, performance or achievements could thus differ materially from those projected in such forward looking statements. The Company assumes no responsibility to publicly amend, modify or revise any forward - looking statements on the basis of any subsequent development, information or events.

## INDEPENDENT AUDITOR'S REPORT

To The Members of M/s. Omega AG Seeds (Punjab) Limited.

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the Financial Statements of M/s. Omega AG Seeds (Punjab) Limited (“the Company”), which comprise the balance sheet as at 31st March 2023, and the statement of profit and loss for the year then ended, and statement of cash flows for the year then ended and notes to the Financial Statements, including a summary of significant accounting policies [hereinafter referred to as “the Financial Statements”].

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit/loss and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### “Information Other than the Financial Statements and Auditor's Report Thereon”

The Company's Board of Directors is responsible for the other information. Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## **Management's Responsibility for the Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls

- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in

- (i) Planning the scope of our audit work and in evaluating the results of our work; and
- (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, We have given in the "**Annexure -A**", a statement on the matters specified in paragraph 3 and 4 of the order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The reports on the accounts of the branch offices of the Company audited under Section 143(8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report.
- (d) The Balance Sheet, the Statement of Profit and Loss dealt with by this Report are in agreement with the books of account.
- (e) In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (f) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017, have been reported in “Annexure-B”.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on the financial position in its financial statements and the list of all pending cases are presented by company in Note 2.9 to financial statements.
  - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

## **Annexure B to the Independent Auditor's Report- March 31, 2023**

Annexure referred to in paragraph 2(g) under the heading of "Report on Other Legal and Regulatory Requirements" of our report on even date to the members of M/s. Omega AG Seeds (Punjab) Limited on the standalone financial statements for the year ended March 31, 2023,

### **Report on the Internal Financial controls under clause (i) of sub- Section 3 of Section 143 of the Companies Act, 2013 ("The Act")**

We have audited the Internal Financial controls over financial reporting of M/s. Omega AG Seeds (Punjab) Limited ("The Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The management has the primary responsibility for the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error. Consequently, the responsibility of designing, implementing and maintaining appropriate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, safeguarding of its assets, the prevention and detection of frauds and errors also rests with the management.

#### **Auditor's Responsibility**

Our Responsibility is to express an opinion on the Company's Internal Financial Controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") and the Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI) and deemed to be prescribed by the Central Government in accordance with Section 143(10) of the 2013 Act, to the extent applicable to an audit of internal financial controls over financial reporting. These Guidance Note and Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness as at the balance sheet date.

Our audit of internal financial controls over financial reporting involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls over financial reporting.

#### **Meaning of internal financial controls over financial reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (i) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (ii) provide reasonable assurance

that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Limitations of internal financial controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Limitations of internal financial controls over financial reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management of override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion and according to the information and explanations given to us, the Company has, in all material respects, an adequate internal financial control system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**Omega AG Seeds (Punjab) Limited**  
**Summary of significant accounting policies and other explanatory information**  
(All amounts in ₹ unless otherwise stated)

**1. Company overview**

**Omega AG Seeds (Punjab) Limited** (“the Company”) is a company domiciled in India and registered under the provisions of the erstwhile Companies Act, 2013.

**2. Basis of Preparation of Financial Statements**

**2.1 Compliance with Ind AS:**

The financial statements comply in all material aspects with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) rules, 2015], as amended from time to time and other relevant provisions of the Act.

**Historical cost convention:**

The financial statements are prepared under historical cost basis, except for the following: certain financial assets and liabilities (including derivative instruments) and contingent consideration that is measured at fair value; defined benefit plans – plan assets measured at fair value

**Use of estimates:**

The preparation of financial statements in conformity with accounting principles generally accepted in India requires management, where necessary, to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised.

**2.2 Revenue Recognition:**

**Revenue from operations:**

There are no revenue activities conducted by the company. Hence no revenue has been recognized by the company during the current financial year.

**Other Income:**

**Interest income:** Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset’s net carrying amount on initial recognition.

**2.3 Income Tax:**

The income tax expense or credit for the period is the tax payable on the current period’s taxable income based on the applicable income tax rates adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

**Current tax:**

The current income tax charge is calculated on the basis of tax laws enacted or substantively enacted at the end of the reporting period in the countries where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in

(All amounts in ₹ unless otherwise stated)

which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

**Deferred tax:**

- i) Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognized if they arise from initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from the initial recognition of asset or liability in a transaction other than business combination that at the time of the transaction affects neither accounting profit nor the taxable profit (tax loss). Deferred income tax is determined using the tax rates (and laws) that have been enacted or substantively enacted at the end of the reporting period and are expected to apply when the related deferred income tax assets is realized or the deferred income tax liability is settled.
- ii) Deferred tax assets are recognized for all deductible temporary differences and unused losses only if it is probable that future taxable amounts will be available to utilize those temporary differences and losses. Deferred tax asset is also recognized for the indexation benefit on land available for taxation purpose since it results in a temporary difference.
- iii) Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realize the liability simultaneously.
- iv) Current and deferred tax is recognized in profit or loss, except to the extent that it relates to the items recognized in other comprehensive income or directly equity. In this case, the tax is also recognized in other comprehensive income or directly equity, respectively.

**2.4 Cash and Cash Equivalents:**

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

**2.5 Property, Plant and Equipment**

**Measurement**

- i. Land is capitalized at cost to the Company. Development of land such as levelling, clearing and grading is capitalized along with the cost of building in proportion to the land utilized for construction of buildings and rest of the development expenditure is capitalized along with cost of land. Development expenditure incurred for the purpose of landscaping or for any other purpose not connected with construction of any building is treated as cost of land.
- ii. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical
- iii. costs include expenditure that is directly attributable to the acquisition of items.
- iv. Subsequent costs are included in the asset's carrying amount and recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit and loss during the reporting period in which they are incurred.
- v. Where the cost of a part of the asset is significant to the total cost of the asset and useful life of that significant part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and the significant part is depreciated on straight line method over its estimated useful life.

**Omega AG Seeds (Punjab) Limited**  
**Summary of significant accounting policies and other explanatory information**  
(All amounts in ₹ unless otherwise stated)

**Depreciation method, estimated useful life and residual value:**

- i. Depreciation is calculated using the straight-line method to allocate their cost, net of residual values, over the estimated useful life.
- ii. The useful lives have been determined to be equal to those prescribed in Schedule II to the Companies Act; 2013.
- iii. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

**Disposal**

Gains and losses on disposal are determined by comparing net sale proceeds with carrying amount. These are included in statement of profit and loss.

**2.6 Provisions, Contingent Assets and Contingent Liabilities**

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognized for future operating losses.

**2.7 Earnings Per Share**

**Basic earnings per share:**

Basic earnings per share is calculated by dividing:

The profit attributable to owners of the Company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares

**Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- a. The after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- b. The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

**2.9 Contingent Liabilities**

Provisions in respect of present obligations arising out of past events are made in the accounts when reliable estimate can be made of the amount of obligations and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but if material, are disclosed in the notes to accounts. Contingent assets are not recognized or disclosed in the financial statements.

- 2.10** Additional information as required under paragraph 5 of the part II of the Schedule III to the Act to the extent either "Nil" or "Not Applicable" has not been furnished.
